# MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

### a. Sugar Industry - Opportunities, Threats and Future Outlook:

#### **Opportunities:**

The long term outlook for sugar remains positive and promising on account of:

- \* Mandatory blending of Ethanol with petrol will boost the revenue of sugar mills and profitability.
- Growing energy consumption in India allowing the sugar industry to play a vital role.
- Environmental friendly power generated by Cogeneration Units equipped with high-pressure boilers and turbines that intelligently use the fuel to get optimum energy output.
- Expected flow of funds from Trading of Renewable Energy Certificate (REC).
- More emphasize on Bio-composting process and consequent efforts to convert organic and inorganic matter into bio-manure to ensure zero discharge from the distillery combining with press mud.
- Growing demand for bio manure, which works as the perfect soil conditioner Bio manure made from distillery and organic matter does not allow leaching of chemicals and hence can offer a solution to the problem of depletion of soil productivity.

#### Threats:

Sugar industry is at present confronted by the following threats:

- Dearth in availability of farm labour for harvesting, transportation, loading and unloading of sugar cane and sugar.
- The spurt in cane procurement prices is expected to remain volatile for a couple of years.
- Cyclical nature of industry and local climatic conditions over the crop affecting both the quantity and quality of cane available.
- Sugar weightage in WPI.
- Short crushing season.
- Shrinkage of sugarcane area under cultivation due to growing urbanisation and availability of many alternate cash crops.

#### **Future Outlook:**

#### The future outlook of sugar would depend on the following:

- Development of high breed varieties of sugarcane suitable for Indian climatic conditions and to achieve vertical growth in sugarcane productivity.
- Development of suitable sugarcane harvesting machine for Indian soil conditions and operable in fragmented land holdings.
- Swift adaptation of new cultivation method for mechanised harvesting.
- Agro-climatic conditions in major sugar-producing states.
- Permitting Green Energy producers to market directly to third parties.

#### f. OTHERS:

The valid licences for Air and Water (prevention and control of pollution) from APPCB are in place in respect of all Units at Vuyyuru and Lakshmipuram, Krishna District, Andhra Pradesh. The Company also takes adequate steps to safeguard the environment.

#### g. RISK MANAGEMENT:

The Company has an effective risk management under which all probable risks are periodically identified, assessed and acted upon to minimize and mitigate their impact. These processes are subject to periodical review by the Management. Some of the risks identified are enumerated below:

#### i. Raw Material Risk:

Sugarcane being the main raw material for sugar, any disturbance in its timely availability will have a substantial impact on the operational cost. This in turn has a significant adverse effect since the market value does not factor the variable cost determined by the climatic conditions and the cane economics.

#### **Mitigation Measure:**

The Company always maintains healthy relationship with its farmers. It is one among very few companies in sugar industry paying its farmers within the stipulated time. The risk of raw material short supply is mitigated to a large extent by the goodwill and reputation for ethical dealings earned by the Company since inception. The experiments in farm mechanisation, drip irrigation, improved cane varieties, carefully monitored scheduling of cane planting and harvesting boost the confidence of the Company in mitigation of the risk.

#### ii. Policy Risk:

Central and State governments regulate the cane policies and they have a larger control on this industry by determining the raw material price and also influence the sugar selling price. The controls exercised by the Union and State governments over command area demarcation from time to time. Molasses movement control.

#### **Mitigation Measure:**

The Company is a member of South Indian Sugar Mills Association (SISMA) and works closely with it towards developing appropriate policy recommendations to represent the industry needs to the government. Formulation of policy on Ethanol doping, review of cogeneration policy, and review of sugar weightage in WPI are some of the issues addressed in close liaison with SISMA.

#### iii. Cyclicality / Commodity Risk:

The sugar price is determined by the cyclicality of the sugar business and hence it affects the profitability. Sugar being a commodity traded across the world, its price is influenced by the various factors including the normal supply and demand.

#### **Mitigation Measure:**

The Company takes the following measures, which enable the Company to insulate itself against price risk.

- More focus on value-added downstream products
- Integration of sugar with cogeneration power and alcohol.

#### h. CAUTIONARY NOTE:

It is explicitly stated that some of the statements in this Management Discussion and Analysis report may be "forward looking" within the meaning of applicable laws and regulations. It may so happen that the actual events or results may be different from what the Board of Directors / Management perceives in terms of the future performance and outlook due to factors having a bearing on them and which are unforeseeable.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO PURSUANT TO PROVISIONS OF SECTION 134 OF THE COMPANIES ACT, 2013 READ WITH rule 8(3) of the COMPANIES (ACCOUNTS) RULES, 2014.

### A. CONSERVATION OF ENERGY:

Measures taken, additional proposals and impact on reduction of energy consumption:

### Measures taken for reduction of Energy consumption:

- 1. Upgradation of Cogen DCS software from CS 1000 to CENTUM VP.
- 2. 50% power saving by introduction of UTP Vanadium 500 spool-welding for mill roller arcing and manhours reduced to 60%.
- 3. 10 KWH Power saving by replacing belt drive coupling with direct drive high efficiency and higher capacity ID Fan at 10 TPH Boiler.
- 4. 2 x 2 KVA new UPS installed to avoid failure of boiler DCS and plant shut downs.
- 5. Installation of LED lights in place of MV and SV lamps to save 91,000 units per annum..
- 6. VFD was installed to A-light molasses pump motor and 10% power saving was observed.
- 7. Technology upgradation of DC drives to reduce down-time and maintenance cost and improve overall machinery efficiency.
- Bore-well motor water delivery was directly connected to overhead tank instead of ground tank. 40 HP motor used in place of 75 HP motor.
- 9. Relocation of 33 KV incoming termination at sub-station to avoid grid interruptions.
- 10. Modification in the evaporator configuration TEVC + QUINTAPLE to TEFC+CONCENTRATOR and First Vapour TEFC first effect was bleed to concentrator instead of exhaust.
- 11. Raw Juice heating was done in 4 stages two stage heating from hot condensate and other two stages from bleed vapour to Evaporator.
- 12. Utilisation of FIRST VAPOUR for clear juice first stage heating from 95 112 deg.C.
- 13. Utilisation of first vapour at sugar melter for sugar melting in place of exhaust.
- 14. Utilisation of first vapour for quadruple set soda boiling instead of exhaust.
- 15. Utilisation of second vapour for pans body wash instead of first vapour / exhaust.
- 16. Utilisation of first vapour for batch and continuous pans sight glass washing instead of water.
- 17.3 Nos. new and high efficiency machines replaced 6 Nos old and low efficiency centrifugal machines.
- 18. Use of filtrate juice at sugar dryer station direct pumping by gravity was arranged and pump is eliminated.
- 19. 10 x 10 screw pump with VFD was arranged for pumping melt and hence 2 pumps of 8 x 8 pumps were avoided.
- 20. Diversion of pan condensate water to flash system saved 0.262 T/Hr of steam.
- 21. Installation of vibro screen for filtrate juice helped in achieving 88% of bagacillo removal.
- 22. Installation of 50W LED lights for power house lighting and godown lighting helped in reduction in power consumption.

### Additional proposals for redeuction of Energy consumption:

### At VUYYURU:

- Installation of LED lights in place of MV and SV lamps to reduce power consumption.
- Replacement of low efficient rewinding motors with IE3 efficiency motors in a phased manner.

- Technology upgradation of DC drives to reduce down time / maintenance cost and improvement of overall machine efficiency.
- Installation of Capacitors for improvement in power factor and reduction in losses.
- Installation of solar invertors at AGT Farm for reduction in power consumption.
- Installation of MCC at curing house for reduction of maintenance cost and losses.
- Installation of VFD to Cogen Cooling Tower water pump.
- Replacement of high efficiency mixed juice in place of low efficiency pumps in mills area.
- Installation of moisture control unit at last mill in No.1 Mill Tandem.
- On/Off controller for Cogen cooling tower fans with respect to temperature.
- To promote additional power export of 300 KWH to grid by running of electrical driven pumps in place of mechanical driven feed water pump for boilers.

### At LAKSHMIPURAM:

- VFDs are to be kept for vacuum filter drums to regulate the speed according to mud level.
- Suitable size super heated wash water unit is to be provided to enable exhaust for heating wash water and thereby eliminating 7 kg/cm2.
- Pan condensate is to be diverted to flash recovery system with suitable 6-lines.
- Direct contact heater to raise the inbibition water temperature by using waste heat from vent vapours.

### FUTURE PLANS –

### AT VUYYURU UNIT:

- Installation of 1.2 MW TG set for distillery and ancillary units.
- Replacement of steam driven turbines by AC drive motors to reduce specific power consumption and more fuel saving.
- Replacement of transmission gears with high efficient planatery gears for mills for improved mill efficiencies and to promote more power export.

### AT LAKSHMIPURAM UNIT:

Chemical cleaning to remove foreign particles in Calandria to increase efficiency of existing bodies and steam saving.

### **B. TECHNOLOGY ABSORPTION:**

FORM 'B' - FORM OF DISCLOSURE OF PARTICULARS WITH RESPECT TO RESEARCH AND DEVELOPMENT (R & D)

# 1 & 2 SPECIFIC AREA IN WHICH RESEARCH AND DEVELOPMENT IS CARRIED OUT BY THE COMPANY AND BENEFITS DERIVED THEREFROM:

### **Vuyyuru Unit:**

- S5 Nos. of sugar cane varieties are screened from 100 new varieties further studied in Company's own farm. Out of these varieties 8 varieties are found superior and further testing is continuing to confirm red-rot disease resistance.
- Trichogramma sp. Bio control agent for ESB and INB (biological parasite) was released in 8000 Acres of sugar cane fields. This has effectively controlled ESB and INB.
- Company had supplied 10 lakh single bud raised seedlings to growers. These seedlings were planted in 100 acres of area. Flor 2017-18, the Company is planning to supply 50 lakhs seedlings to cane growers.

### **Benefits derived:**

- Two sugar cane varieties were released for commercial cane cultivation during 2017-18 planting season.
- The Bio control agent Trichogramma has effectively controlled ESB and INB in the fields. Cane growers benefitted economically by getting more yield and savings in chemical spraying cost.

The fields planted with single bud raised seedlings have synchronized tillering as well as good cane girth. The cost of planting and seed material cost was reduced significantly.

### Lakshmipuram Unit:

- Fertilizer trials with eight treatments with three replications was conducted at CDC farm. It is found that due to depleting soil fertility year after year, 150% of recommended dose of fertilizer along with biofertilizers and micro nutrients produced best cane yield and sugar recovery. Advocating the farmers from 2017-18 season to follow the research results.
- 22 new varieties were tested at CDC farm out of which 2008V257, 2007V127, 2009V127, VS103102, IRM3 were found suitable to this area.
- 9 new varieties were tested at Mopidevi farm out of which 2007V127, 2008V257, 2005V96, VS103102, KCP-8 were found suitable to this area.
- 8 pre-released varieties from Tirupathi were tested out of which 2006T3, 2009T5, 2010T144 were found better and further trails are under way.

### **RESEARCH PROJECTS IN PROGRESS:**

- Varieties testing suitable to saline conditions.
- Application of Nano growth enhancers to improve cane yield and sugar recovery.

### **Benefits derived:**

Place : Chennai

Date: 29.05.2017

•

- New varieties were identified and released for further multiplication in farmer field.
- Optimum fertilizer doses found to reduce cost of cultivation and to maintain sugar recovery. Excess and untimely fertilizer application increasing the sugarcane production cost and juice sucrose percent also decreasing.

### INDEPENDENT AUDITOR'S REPORT

### To the members of K.C.P.SUGAR AND INDUSTRIES CORPORATION LIMITED

### **Report on the Standalone Financial Statements**

We have audited the accompanying Standalone financial statements of **K.C.P.SUGAR AND INDUSTRIES CORPORATION LIMITED** ("the Company"), which comprises the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Act in the manners or required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

### **Report on Other Legal and Regulatory Requirements**

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in Para 3 and 4 of the said Order.
- 2. As required by Section143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

### Annexure - B to the Auditors' Report

# Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **K.C.P.SUGAR AND INDUSTRIES CORPORATION LIMITED** ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards onAuditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

### a. GENERAL

The Financial statements have been prepared in accordance with the Generally Accepted Accounting principles in India (Indian GAAP) to comply with the Accounting standards specified under Section 133 of Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules,2014 and relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis.

### b. FIXED ASSETS

- i. Fixed assets are stated at the values at which they are acquired, less accumulated depreciation. The value at which fixed assets are acquired includes all related expenses upto the date of putting them to use.
- ii. Intangibles will be amortized over a period of five years.
- iii. Cenvat Credit availed on acquisition of Fixed Assets is reduced from the cost of the concerned assets.

### c. DEPRECIATION

Depreciation is provided under straight line method except in respect of assets appearing in the books of the Registered Office of the Company, which are depreciated under written down value method, in accordance with the rules prescribed under part " C "of Schedule II to the Companies Act, 2013.

### d. INVESTMENTS

Long-term investments are stated at cost, less provision for other than temporary diminution in value. Current investments are stated at the lower of cost or market value.

### e. INVENTORIES

- i) Finished goods are valued as follows and increased by Excise Duty thereon as applicable.
  - All finished goods are valued at lower of weighted average cost or net realisable value.
  - Molasses, a by product is valued at estimated net realisable value.
- ii) Stock of Scrap is not valued and therefore not recognised in the accounts. Sale of Scrap, as and when made, is accounted for.
- iii) Crops under cultivation are valued at cost.
- iv) Work in progress is valued at lower of weighted average cost or net realisable value of the finished goods duly adjusted according to the percentage of progress.
- v) Raw materials, stores, spares, materials in transit are valued at weighted average cost. However, when the net realisable value of the finished goods they are used in is less than the cost of the finished goods and if the replacement cost of such materials etc. is less than their holding cost in such an event, they are valued at replacement cost.

### f. SALES AND OTHER EARNINGS

- i) Sales are inclusive of excise duty, freight, insurance etc. recovered thereon.
- ii) Power generated in Power Plant Units and supplied to the other units of the Company is accounted for at the rate at which the Company purchases power from APSEB.

### g. FOREIGN EXCHANGE TRANSACTIONS

- Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of the transaction, and adjusted appropriately with the difference in the rate of exchange arising on actual receipt/payment during the year.
- ii) At each Balance Sheet date
  - foreign currency monetary items are reported using the rate of exchange on that date
  - foreign currency non-monetary items are reported using the exchange rate at which they were initially recognized

- iii) In respect of forward exchange contracts in the nature of hedges
- Premium or discount on the contract is amortised over the term of the contract,
- Exchange differences on the contract are recognized as profit or loss in the period in which they arise

### h. RESEARCH AND DEVELOPMENT EXPENDITURE

In respect of approved Research and Development programmes, expenditure of capital nature is included in the Fixed Assets and the other expenditure is charged off to revenue, in the year in which such expenditure is incurred.

### i. EMPLOYEE BENEFITS

Long-term Employee Benefits

(a) Defined Contributions Plans

The Company has Defined Contribution Plans for post employment benefits for employees in the form of Superannuation Fund which is recognised by the Income Tax authorities and administered through Trustees and Life Insurance Corporation of India (LIC) and Provident Fund for all employees. These plans constitute insured benefits, as the Company has no further obligation beyond making the contributions. The Company's contributions to Defined Contribution Plans are charged to the Profit and Loss Account as incurred

- (b) Defined Benefit Plans
  - (i) Gratuity The Company has Defined Benefit Plan for post employment benefit for all employees in the form of Gratuity. For certain employees the post employment benefits in the form of Gratuity is funded with Life Insurance Corporation of India, which is recognised by the Income Tax authorities and administered through Trustees. Liability for Defined Benefit Plan is provided on the basis of valuation carried out by LIC of India with regard to the employees for whom the same is funded with LIC. In the case of other employees, the same is provided on the basis of the valuation carried out by an independent actuary as at the Balance Sheet date. The actuarial valuation method used for measuring the liability is the Projected Unit Credit Method.
  - (ii) Leave Encashment Entitlement to annual leave and sick leave are recognised when they accrue to employees. The Company determines the liability for such accumulated leaves at each Balance Sheet date and the same is charged to revenue accordingly.

### j. TAXATION

Provision is made for income tax liability estimated to arise on the results for the year at the current rate of tax in accordance with the Income Tax Act, 1961.

Deferred tax resulting from timing differences between book and tax profits is accounted for under the liability method, at the current rate of tax.

Deferred tax assets arising on account of brought forward losses and unabsorbed depreciation are recognized only when there is virtual certainty supported by convincing evidence that such assets will be realized. Deferred tax assets arising on other temporary timing differences are recognized only if there is a reasonable certainty of realization.

### k. BORROWING COSTS

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that takes necessarily substantial period of time to get ready for its intended use. All other borrowing cost are charged to revenue.

### I. IMPAIRMENT OF ASSETS

At the date of each Balance Sheet, the company evaluates internally, indications of the impairment if any, to the carrying amount of its fixed and other assets. If any indication does exist, the recoverable amount is estimated at the higher of the realizable value and value in use, as considered appropriate. If the estimated realizable value is less than the carrying amount, an impairment loss is recognized.

Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset no longer exist or have decreased. However, the increase in

carrying amount of an asset due to reversal of an impairment loss is recognized to the extent it does not exceed the carrying amount that would have been determined (net of depreciation) had no impairment loss been recognized for the asset in prior years.

### m. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

The Company manages Provident fund plan through a Provident Fund Trust for its employees, which is permitted under The Employees Provident Fund and Miscellaneous Provisions Act, 1952. The plan envisages contribution by the employer and employees and guarantees interest at the rate notified by the Provident Fund Authority. The contribution by employer & employee, together with interest, are payable at the time of separation from service or retirement, whichever is earlier. The benefit under this plan vests immediately on rendering of service.

The Guidance Note on implementing AS-15, Employee Benefits(revised 2005) issued by the Accounting Standard Board (ASB) states that provident fund set up by employers, which require interest shortfall to be met by the employer, need to be treated as defined benefit plan. Pending the issuance of the Guidance Note from the Acturial Society of India, the Company's actuary has expressed inability to reliably measure the Provident fund liability. However, there is no deficit in the fund in this regard.

44. Purchase tax is payable at Rs.60/- per MT. on the sugarcane purchased. In this respect, the Govt. of Andhra Pradesh is used to notify the said levy for every sugar season separately. Considering the financial hardships faced by the sugarcane farmers, the Govt. of Andhra Pradesh has been directing the sugar mills to pay the said tax to the sugarcane suppliers as an 'incentive 'instead of paying the same to the Govt. of Andhra Pradesh in the recent years. A notification in this respect is still awaited from the Govt. The Company is of the firm belief that the similar gesture will be extended for the current season also. The accumulated purchase tax payable on the sugarcane purchased up to 31st March, 2017 amounting to the tune of Rs.3,88,31,387/- has been classified Note No.10(e) " Other Current Liabilities :- Statutory Liabilities".

45. Under Section 135 of The Companies Act, 2013 the company is required to spend Rs.9,67,705/- during the year under review towards Corporate Social Responsibility (CSR) activities as framed by the Company in its Corporate Social Responsibility program. ### INDEPENDENT AUDITOR'S REPORT

### To the members of THE EIMCO-K.C.P. LTD

### **Report on the Standalone Financial Statements**

We have audited the accompanying Standalone financial statements of THE EIMCO-K.C.P. LTD("the Company"),which comprises the Balance Sheet as at 31<sup>st</sup>March,2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31<sup>st</sup>March, 2017, and its profit and its cash flows for the year ended on that date.

### Annexure - B to the Auditors' Report

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the

### Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **THE EIMCO-K.C.P. LTD** ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may

become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

STATEMENT OF PROFIT AND LOSS FOR YEAR ENDED MARCH 31, 2017

Chennai 29.05.2017 111

### NOTE-1. SUMMARY OF ACCOUNTING POLICIES

### i. General

The Financial statements have been prepared in accordance with the Generally Accepted Accounting principles in India (Indian GAAP) to comply with the Accounting standards specified under Section 133 of Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis.

### ii. Fixed Assets :

- (a) Fixed Assets are stated at cost less accumulated depreciation. Cost of acquisition of fixed assets is inclusive of all freight, duties, taxes, incidental expenses relating to the cost of acquisition and the cost of installation/erection as applicable.
- (b) Modvat availed, if any, during the year on Fixed Assets, is not included in the cost of such Fixed Assets capitalized during the year.

### iii. Depreciation :

Depreciation on all assets is provided on written down value method in accordance with the rules prescribed under part "C" schedule II to the Companies Act, 2013.

### iv. Investments:

Non Current investments are carried at cost and provision for diminution in the value there of other than temporary in nature is accounted for.

Current Investments are stated at the lower of cost and fair value.

### v. Inventories:

- a. Finished Goods are valued at lower of cost and net realizable value, as increased by excise duty thereon as applicable.
- b. Scrap is valued at net realizable value.
- c. Work in progress is valued at lower of cost or net realizable value of the finished goods duly adjusted according to the percentage of progress.
- d. Raw materials, Stores, Spare parts, Material in Transit, etc., are valued at cost, except when the net realizable value of the finished goods they are used in is less than the cost of the finished goods and if in such an event the replacement cost of such materials etc., is less than their holding cost, in which case they are valued at replacement cost. Cost is determined on the basis of weighted average method.

### vi Revenue Recognition:

Revenue from the sale of goods is recognized as and when dispatches were made, as per the terms of the contract.

Sales are inclusive of excise duty recovered and net of discount and rebates.

Revenue from service related activities is recognized as and when the activity is completed under the terms of the contract.

### vii Foreign Currency Transactions :

- a. Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of the transaction, and adjusted appropriately to capital or revenue, with the difference in the rate of exchange arising on actual receipt /payment during the year.
- b. At each Balance Sheet Date
  - i. Foreign currency monetary items are reported using the rate of exchange on that date
  - ii. Foreign currency non-monetary items are reported using the exchange rate at which they were initially recognized
- c. In respect of forward exchange contracts in the natures of hedges
  - i. Premium or discount on the contract is amortized over the term of contract

ii. Exchange differences on the contract are recognized as profit or loss in the period in which they arise.

### viii Research and Development Expenditure

In respect of approved Research and Development programmes, expenditure of capital nature is included in the Fixed Assets and the other expenditure is charge off to revenue, in the year in which such expenditure is incurred.

### ix Employee Benefits:

- a. Defined Contribution Plans: Fixed contribution to provident fund and employees state insurance made on monthly basis with relevant authorities are absorbed in Profit and Loss Account.
- b. Defined Benefit Plans (Long term employee benefits)

Gratuity: Contributions to Gratuity Fund are made on the basis of Actuarial Valuation made by LIC using Projected Unit Credit Method. Gratuity Benefits is funded with LIC.

Leave Encashment: Provision is made in the accounts for the estimated liability towards leave encashment on retirement / cessation of the services of the staff, as per the rules of the company. In respect of workmen, un-availed leave wages is paid during the end of the calendar year and accounted on accrual basis.

Short Term employee benefits: Short-term employee benefits are absorbed as an expense as per the company's scheme based on expected obligation on undiscounted basis.

### x Taxation:

Provision is made for income tax liability estimated to arise on the results for the year at the current rate of tax in accordance with the Income tax Act - 1961.

- Deferred tax resulting from timing differences between book and tax profits is accounted for under the liability method, at the current rate of tax.
- Deferred tax assets arising on account of brought forward losses and unabsorbed depreciation are recognized only when there is virtual certainty supported by convincing evidence that such assets will be realized. Deferred tax assets arising on other temporary timing differences are recognized only if there is a reasonable certainty of realization.

### xi Borrowing Costs:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that takes necessarily substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

### xii Impairment of Assets

At the date of each Balance Sheet, the company evaluates internally, indications of the impairment if any, to the carrying amount of its fixed and other assets. If any indication does exist, the recoverable amount is estimated at the higher of the realizable value and value in use, as considered appropriate. If the estimated realizable value is less than the carrying amount, an impairment loss is recognized.

Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset no longer exist or have decreased. However, the increase in carrying amount of an asset due to reversal of an impairment loss is recognized to the extent or have decreased. However, the increase in carrying amount of an asset due to reversal of an impairment loss is recognized to the extent or have decreased. However, the increase in carrying amount of an asset due to reversal of an impairment loss is recognized to the extent it does not exceed the carrying amount that would have been determined (net of depreciation) had no impairment loss been recognized for the asset in prior years.

### xiii Provisions, Contingent Liabilities, Contingent Assets, Warranty and Guarantee Claims.

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of recourses. Contingent Liabilities are not recognized in the accounts, but are disclosed after a careful evaluation of the concerned facts and legal issues involved.

Company's liability for performance warranties is recognized in the accounts in the year of claim by the customers. Liability in respect of delivery guarantees is recognized in accounts in the year in which delay occurs as per the contract.

### **Report on the Standalone Financial Statements**

We have audited the accompanying Standalone financial statements of **K.C.P SUGARS AGRICULTURAL RESEARCH FARMS LTD** ("the Company"), which comprises the Balance Sheet as at 31stMarch 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting precords in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

### Opinion

### Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **K.C.P SUGARS AGRICULTURAL RESEARCH FARMS LTD** ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may

134

become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting of K.C.P SUGAR & INDUSTRIES CORPORATION LTD. ("the Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

#### Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

#### **BASIS OF CONSOLIDATION:**

- The consolidated financial statements relate to K.C.P. Sugar and Industries Corporation Ltd., hereinafter referred to as ' the company ', and its wholly-owned subsidiary companies, viz., The Eimco-K.C.P.Ltd., and KCP Sugars Agricultural Research Farms Ltd. The consolidated financial statements have been prepared on the following basis, in accordance with the requirements of Accounting Standard 21 'Consolidated Financial Statements' issued by the Institute of Chartered Accountants of India:
- The financial statements of the Company and its subsidiary companies have been combined on a line by line basis by adding together the Book Values of like items of Assets, Liabilities, Income and Expenses.
- The intra group balances and intra group transactions resulting in unrealized profits or losses have been fully eliminated from the related Assets, Liabilities, Income and Expenses.
- The investments in the Equity Shares of the Subsidiary Companies have been fully eliminated from the Share Capital of Subsidiary Companies and investments in parent Company.

#### b. FIXED ASSETS

- . Fixed assets are stated at the values at which they are acquired, less accumulated depreciation. The value at which fixed assets are acquired includes all related expenses upto the date of putting them to use.
- ii. Intangibles will be amortised over a period of five years.
- iii. Cenvat Credit availed on acquisition of Fixed Assets is reduced from the cost of the concerned assets.

#### c. DEPRECIATION

Depreciation is provided under straight line method except in respect of assets appearing in the books of the Registered Office of the Company, and The Eimco-K.C.P. Ltd., which are depreciated under written down value method in accordance with the rules prescribed under part "C" Schedule II to the Companies Act, 2013.

#### d. INVESTMENTS

Long-term investments are stated at cost, less provision for other than temporary diminution in value. Current investments are stated at the lower of cost or market value.

#### e. INVENTORIES

- i) Finished goods are valued as follows and increased by Excise Duty thereon as applicable.
  - All finished goods are valued at lower of cost or market value.
  - Molasses, a byproduct is valued at estimated net realisable value.
- Stock of Scrap is not valued and therefore not recognised in the accounts. Sale of Scrap, as and when made, is accounted for. In the case of The Eimco-K.C.P.Ltd., the same is valued at net realizable value and recognized in the accounts.
- iii) Crops under cultivation are valued at cost.
- iv) Work in progress is valued at lower of cost or net realisable value of the finished goods duly adjusted according to the percentage of progress.
- v) Raw materials, stores, spares, materials in transit are valued at cost, except when the net realisable value of the finished goods they are used in, is less than the cost of the finished goods and if in such an event the replacement cost of such materials etc. is less than their holding cost, they are valued at replacement cost.

#### f. SALES AND OTHER EARNINGS

- i) Sales are inclusive of excise duty, freight, insurance etc. recovered thereon and net of sales tax.
- ii) Power generated in Power Plant Units and supplied to the other units of the Company is accounted for at which the Company purchases power from APSEB.

#### g. WARRANTY AND GUARANTEE CLAIMS

Company's liability for performance warranties is recognized in the accounts in the year of claim by the customers. Liability in respect of delivery guarantees is recognized in accounts in the year in which delay occurs as per the Contract.

#### h. FOREIGN EXCHANGE TRANSACTIONS

- i. Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of the transaction, and adjusted appropriately with the difference in the rate of exchange arising on actual receipt/payment during the year.
- ii) At each Balance Sheet date
  - foreign currency monetary items are reported using the rate of exchange on that date
  - foreign currency non-monetary items are reported using the exchange rate at which they were initially recognized

iii. In respect of forward exchange contracts in the nature of hedges

- Premium or discount on the contract is amortised over the term of the contract,
- Exchange differences on the contract are recognized as profit or loss in the period in which they
  arise

#### i. EXPENDITURE ON RESEARCH AND DEVELOPMENT

In respect of approved Research and Development programmes, expenditure of capital nature is included in the Fixed Assets and the other expenditure is charged off to revenue, in the year in which such expenditure is incurred.

#### j. EMPLOYEE BENEFITS

- (i) Long-term Employee Benefits
- (a) Defined Contributions Plans

The Company has Defined Contribution Plans for post employment benefits for employees in the form of Superannuation Fund which is recognised by the Income Tax authorities and administered through Trustees and Life Insurance Corporation of India (LIC) and Provident Fund for all employees. These plans constitute insured benefits, as the Company has no further obligation beyond making the contributions. The Company's contributions to Defined Contribution Plans are charged to the Profit and Loss Account as incurred

- (b) Defined Benefit Plans
- (i) Gratuity The Company has Defined Benefit Plan for post employment benefit for all employees in the form of Gratuity. For certain employees the post employment benefits in the form of Gratuity is funded with Life Insurance Corporation of India, which is recognised by the Income Tax authorities and administered through Trustees. Liability for Defined Benefit Plan is provided on the basis of valuation carried out by LIC of India with regard to the employees for whom the same is funded with LIC. In the case of other employees, the same is provided on the basis of the valuation carried out by an independent actuary as at the Balance Sheet date. The actuarial valuation method used for measuring the liability is the Projected Unit Credit Method
- (ii) Leave Encashment Entitlement to annual leave and sick leave are recognised when they accrue to employees. The Company determines the liability for such accumulated leaves at each Balance Sheet date and the same is charged to revenue accordingly.

### k. TAXATION:

Provision is made for income tax liability estimated to arise on the results for the year at the current rate of tax in accordance with the Income Tax Act, 1961.

- Deferred tax resulting from timing differences between book and tax profits is accounted for under the liability method, at the current rate of tax.
- Deferred tax assets arising on account of brought forward losses and unabsorbed depreciation are recognized only when there is virtual certainly supported by convincing evidence that such assets will be realized. Deferred tax assets arising on other temporary timing differences are recognized only if there is a reasonable certainty of realization.

#### I. IMPAIRMENT OF ASSETS

At the date of each Balance Sheet, the company evaluates internally, indications of the impairment if any, to the carrying amount of its fixed and other assets. If any indication does exist, the recoverable amount is estimated at the higher of the realizable value and value in use, as considered appropriate. If the estimated realizable value is less than the carrying amount, an impairment loss is recognized.

Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset no longer exist or have decreased. However, the increase in carrying amount of an asset due to reversal of an impairment loss is recognized to the extent it does not exceed the carrying amount that would have been determined (net of depreciation) had no impairment loss been recognized for the asset in prior years.

#### m. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of recourses. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

29 Purchase tax is payable at Rs.60/- per MT. on the sugarcane purchased. In this respect, the Govt. of Andhra Pradesh is used to notify the said levy for every sugar season separately. Considering the financial hardships faced by the sugarcane farmers, the Govt. of Andhra Pradesh has been directing the sugar mills to pay the said tax to the sugarcane suppliers as an 'incentive 'instead of paying the same to the Govt. of Andhra Pradesh in the recent years. A notification in this respect is still awaited from the Govt. The Company is of the firm belief that the similar gesture will be extended for the current season also. The accumulated purchase tax payable on the sugarcane purchased up to 31st March, 2017 amounting to the tune of Rs.3,88,31,387/- has been classified Note No.10(f) " Other Current Liabilities :- Statutory Liabilities ".

#### **Provident fund:**

The Company manages Provident fund plan through a Provident Fund Trust for certain employees, which is permitted under The Employees Provident Fund and Miscellaneous Provisions Act, 1952. The plan envisages contribution by the employer and employees and guarantees interest at the rate notified by the Provident Fund Authority. The contribution by employer & employee, together with interest, are payable at the time of separation from service or retirement, whichever is earlier. The benefit under this plan vests immediately on rendering of service.

The Guidance Note on implementing AS-15, Employee Benefits(revised 2005) issued by the Accounting Standard Board (ASB) states that provident fund set up by employers, which require interest shortfall to be met by the employer, need to be treated as defined benefit plan. Pending the issuance of the Guidance Note from the Acturial Society of India, the Company's actuary has expressed inability to reliably measure the Provident fund liability. However, there is no deficit in the fund in this regard."

## PAYMENT OF DIVIDEND THRO' ELECTRONIC CLEARING SERVICE (ECS)

The Securities and Exchange Board of India (SEBI) has made it mandatory for all listed company to offer ECS facilities. This facility has **several benefits including :** 

- 1. Instant credit of the dividend amount directly to your designated bank account electronically.
- 2. Prevents in-transit interception of the warrant or its fraudulent encashment.
- 3. Eliminates the scop for loss/delay in receipt of the warrant.
- 4. No extra cost to the payee.

Instead of the earlier practice of issue of printed warrants being sent to the Shareholders, this mode of payment provides for direct credit dividend to the existing Bank account of the Shareholder(s) by electronic mode. The concerned Bank branch will credit your account and indicate the entry as " ECS" in your pass book/statement.

This mode of payment is optional and you have a right to withdraw the instructions or change them by giving us an advance notice of atleast eight weeks before the data of payment. The information furnished by you will be kept confidential and utilised only for the purpose of effecting the payment of dividend as may be applicable. The Company will not be liable for any credit/s made to any other account other than the Sharholders account because of the incorrect information given.

The facility of ECS is (RBI Centres) available in 15 cities as follows :

Ahmedabad, Bangalore, Bhubaneshwar, Chandigarh, Chennai, Guwahati, Hyderabad, Jaipur, Kanpur, Kolkata, Mumbai, Nagpur, New Delhi, Patna, Thiruvananthapuram,

Though the facility is available only to a limited number of cities, we request all the Shareholders to provide us the details in the enclosed form, which would enalble us to serve you better once the facility is extended to your city.

Wo would request you to avail this facility by completing the relevant details in the ECS Mandate form printed on the reverse and return to us at the earliest alongwith a cancelled or photocopy or your cheque pertaining to your account to which the dividend amount is to be credited.

In case you are holding shares in demat form, kindly advise your Depository participant directly to take note of your Bank account particulars/ECS mandate.

- Institutional shareholders (i.e. members other than individuals, HUF, NRIs, etc) are required to send a scanned copy (PDF / JPG format) of the relevant board resolution / authority letter, etc, together with the attested specimen signature(s) of the duly authorized signatory(ies) who are authorised to vote, to the Scrutinizer via email at: maheshvenki@vmacs.co.in with a copy marked to evoting@nsdl.co.in.
- In case of any queries, please refer to the Frequently Asked Questions (FAQs) for members and the e-voting user manual for members available in the 'Downloads' section of https://www.evoting.nsdl.com. You can also contact NSDL via e-mail at evoting@nsdl.co.in.

#### B. VOTING BY BALLOT FORM AT THE AGM VENUE:

- The Company also offers facility for voting through polling paper at the venue of the Annual General Meeting.
- The members as on the cut-off date (8th September 2017), attending the Annual General Meeting are entitled to exercise their voting rights in case they had not already cast their vote through remote e-voting.
- Members who have cast their vote through e-voting are entitled to attend the Annual General Meeting if they so desire, but cannot cast their vote at the venue of AGM.

The Chairman of the AGM will fix the time for voting at the meeting. The shareholders present in person or by proxy can vote at the venue of the meeting.

#### C. GENERAL INSTRUCTIONS:

- The e-voting period commences on 12th September 2017 (9.00 a.m.IST) and ends on 14th September 2017 (5.00 p.m.IST). During this period, shareholders of the Company holding shares either in physical form or in dematerialised form, as on the cut-off date (record date) of 8th September 2017, may cast their vote electronically. The e-voting module shall also be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the shareholder, the shareholder shall not be allowed to change it subsequently.
- The cut-off date for remote e-voting has been fixed as Friday, the 8th day of September 2017. Members holding shares as on this cut-off date can cast their vote in any one of the two modes (Remote E-voting / Voting by ballot at AGM venue).
- In case of shareholders who have acquired shares and become members of the Company after the despatch of AGM Notice, the Company would be despatching the 22nd t Annual Report for the Financial Year 2016-17 to them as and when they become members. In addition, the Annual Report is also available in the Company's website. The said members may also follow the same procedure for voting.
- Voting rights of shareholders shall be in proportion to their shareholding in the Company as on the cut-off date (8th September 2017).
- In case a shareholder by an inadvertence or otherwise has voted under more than one option, his voting by only one mode through remote E-voting, or voting at the AGM venue will be considered in that seriatim.
- M/s.V.Mahesh & Associates, Practicing Company Secretaries, Chennai, have been appointed as Scrutinizer for both the two options for voting (Remote E-voting / Voting at AGM venue by ballot paper).
- The Scrutinizer will, after conclusion of voting at the AGM venue
  - First count the votes cast at the meeting through polling paper.
  - Then unblock the votes cast through remote E-voting.

All the above will be done in the presence of two witnesses not in the employment of the Company.

The Scrutinizer will make a consolidate report (integrating the votes cast at the meeting, through remote e-voting) of the total votes cast in favour or against, if any, to the Chairman of the Meeting, not later than three days from the conclusion of the meeting.

- Voting Results: The Chairman or a person authorised by him in writing, shall declare the result of the voting based on the Scrutinizer's report.
- The results declared along with the Scrutinizer Report will be placed on the Company's website www.kcpsugar.com and on the website of NSDL immediately on declaration of result and also communicated to NSE and BSE.
- Subject to receipt of requisite number of votes, the resolution shall be deemed to have been passed on the date of AGM.
- These details and instructions form an integral part of the Notice for the Annual General meeting to be held on 15th September 2017.

All documents referred to in the accompanying Notice and the Statement pursuant to Section 102(1) of the Companies Act, 2013, will be available for inspection at the Registered office of the Company during business hours on all working days upto the date of declaration of the result of the 22nd Annual General meeting of the Company.
