

LIMITED REVIEW REPORT OF THE UNAUDITED FINANCIAL INFORMATION OF
K.C.P SUGAR AND INDUSTRIES CORPORATION LIMITED, PURSUANT TO
CLAUSE 41 OF THE LISTING AGREEMENT

1. We have reviewed the accompanying statement of unaudited financial information of K.C.P. SUGAR AND INDUSTRIES CORPORATION LIMITED, (' the Company') for the three months and six months ended 30th September, 2015. This special purpose financial information, prepared in accordance with recognition and measurement principles laid down in Accounting Standard (AS) 25, Interim Financial Reporting, specified under the Companies Act, 1956 (which are deemed to be applicable as per section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014) and other accounting principles generally accepted in India, is the responsibility of the Company's Management and has been approved by the Board of Directors at its Meeting held on 11.11.2015.
2. We conducted our review in accordance with the Standard on Review Engagement ('SRE') 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of chartered Accounts of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in audit. Accordingly, we do not express an audit opinion.
3. In respect of the company's Sugar units, the incidental Co-generation units attached to the Sugar units and Research and Development unit, part of the expenses incurred towards staff costs and manufacturing expenses (included in other expenses) and depreciation have been recognized as such during the three months and six months ended 30th September, 2015 only to the extent they are relatable to the production of sugar manufactured and electric energy generated during the said quarters. In the opinion of the Company's Management, the remaining expenses are relatable to the sugar to be produced and electric energy to

be generated in the coming season, which commences and predominantly extends through the last two quarters of the year. The expenses so deferred are as follows.

Rupees in Lakhs.

i) Other Expenditure	3,547.82
ii) Depreciation	375.79

4. It has been explained to us by the Company's Management that, the Sugar Industry and the incidental co-generation activity being a seasonal in nature and since the sugar season does not match with the Company's financial year, recognition of expenses strictly in the period in which they have been incurred would result in substantial distortion of the financial results in different quarters of the financial year. It is therefore, the consistent practice followed by the company, to identify such expenses incurred during the off-season that are relatable to the coming season, and to defer them and recognize them only in the season period.
5. Based on our review conducted as explained in paragraph 2 above and after duly considering the practice of recognizing the expenses in the manner explained in paragraphs 3 and 4 above, we report that nothing has come to our attention that causes us to believe that, the accompanying statement of unaudited financial information prepared in accordance with applicable Accounting Standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
