**LIMITED REVIEW REPORT OF THE UNAUDITED FINANCIAL RESULTS OF  
K.C.P SUGAR AND INDUSTRIES CORPORATION LIMITED, PURSUANT TO  
CLAUSE 41 OF THE LISTING AGREEMENT**

1. We have reviewed the accompanying statement of unaudited financial results of **K.C.P. SUGAR AND INDUSTRIES CORPORATION LIMITED**, for the quarter ended 31<sup>st</sup> December, 2009. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors at its Meeting held on 27.01.2010.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400. Engagements to Review Financial Statements issued by the Institute of chartered Accounts of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquires of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly. We do not express an audit opinion.
3. In respect of the company's Sugar units, the incidental Co-generation units attached to the Sugar units, Research and Development unit and part of the expenses incurred towards staff costs and manufacturing expenses (included in other expenses) and depreciation have been recognized as such during the quarter ending 31<sup>st</sup> December, 2009 only to the extent they are relatable to the production of sugar manufactured and electric energy generated during the said quarter. In the opinion of the Company's Management, the remaining expenses are relatable to the sugar to be produced and electric energy to be generated in the rest of the season which commenced during the quarter under review. The expenses so deferred at 31<sup>st</sup> December, 2009 are as follows.

Rupees in Lakhs.

i)	Other Expenditure	1327.13
ii	Depreciation	390.11

4. It has been explained to us by the Company's Management that, the Sugar Industry and the incidental co-generation activity being a seasonal in nature and since the sugar season does not match with the Company's financial year, recognition of expenses strictly in the period in which they have been incurred would result in substantial distortion of the financial results in different quarters of the financial year. It is therefore, the consistent practice followed by the company, to identify such expenses incurred during the off-season that are relatable to the coming season, and to defer them and recognize them only in the season period.
  
5. Based on our review conducted as explained in paragraph 2 above and after duly considering the practice of recognizing the expenses in the manner explained in paragraphs 3 and 4 above, we report that nothing has come to our attention that causes us to believe that, the accompanying statement of unaudited financial results prepared in accordance with applicable Accounting Standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
