This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquires of the company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit conducted in accordance with the standards on Auditing specified under section 143(10) of the Companies Act, 2013. We have not performed an audit and accordingly, we do not express an audit opinion.
4. In respect of the Company's Sugar unit, the incidental Co-generation unit attached to the Sugar unit and Research & Development unit, part of the expenses incurred towards staff costs and manufacturing expenses (included in other expenses) and depreciation have been recognized as such during the period and quarter ending 30 June 2025, only to the extent, they are relatable to the production of sugar manufactured and electric energy generated during the said quarter. In the opinion of the Company's Management, the remaining expenses that are relatable to the sugar to be produced and electric energy to be generated, in the remaining period of the current sugar season, will be absorbed at the end of the last quarter. The expenses so deferred are as follows:

Rupees in lakhs

i. Other expenditure	Rs. 833.92
ii. Depreciation	Rs.57.98

5. It has been explained to us by the Company's Management that, the Sugar Industry and the incidental co-generation activity being seasonal in nature and since the sugar season does not match with the Company's financial year, recognition of expenses strictly in the period in which they have been incurred would result in substantial distortion of the financial results in different quarters of the financial year. It is therefore, a consistent practice followed by the Company, to identify such expenses incurred during the off-season that are relatable to the coming season, and to defer them and recognize them only in the season period.

6. Based on our review conducted as explained above and after duly considering the practice of recognizing the expenses in the manner explained in paragraphs 4 and 5 above, nothing has come to our attention that causes us to believe that the accompanying statement of standalone unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. We did not review the interim financial results of 1 step down subsidiary included in the Statement, whose financial information reflects total income (before consolidation adjustments) of Rs.36.90 lakhs, total net profit /(Loss) before consolidation adjustments of (Rs.2.08lakhs,) and total comprehensive income (before consolidation adjustments) of (Rs.2.08lakhs), for the quarter ended on that date, as considered in the Statement.
